Re: *Proposed Amendments to the Arkansas Gas Pipeline Code*

Dear Ms. Wilson:

Attached, please find a list of the companies and operators who were served copies of the General Staff's Petition to Initiate a Docket for Rulemaking in order to consider proposed amendments to the Arkansas Gas Pipeline Code.

The list represents all jurisdictional gas utilities and pipeline companies as well as all master meter operators.

Please feel free to contact me should any of the above require explanation.

Very truly yours,
