DOCKET NO. 07-152-TF
ORDER NO. 3

ORDER

This Docket was established as the dedicated docket for the receipt, review, consideration and final determination of Deemed Savings Estimates to be filed by Arkansas jurisdictional gas and electric public utilities. As stated in Order 20 issued by the Commission in Docket 06-004-R:

Deemed savings estimate tariff filings in Docket No. 07-152-TF will be handled in a similar manner as are other TF filings, i.e., absent a timely filed objection, a tariff filing in Docket No. 07-152-TF will be deemed approved by the Commission thirty days after the tariff filing date and an appropriate approval order will be issued by the assigned General Staff Hearing Officer. However, if a timely objection to a tariff is filed, the tariff filing will be suspended and an appropriate procedural schedule will be established.

On January 15, 2008, savings estimates for Arkansas Oklahoma Gas Corporation, Arkansas Western Gas Company, CenterPoint Energy Resources Corp. d/b/a CenterPoint Energy Arkansas Gas, The Empire District Electric Company, Entergy Arkansas, Inc., Oklahoma Gas and Electric Company, and Southwestern Electric Power Company were filed in this Docket. Today is the thirtieth day after the filing of the savings estimates by these companies and no objections have been filed concerning these estimates. Therefore, in accordance

with Order No. 20 of Docket 06-004-R, these savings estimates applicable to energy efficiency programs pursuant to the Commission's Rules for Conservation and Energy Efficiency are deemed approved.
