On September 3, 2013, by Order No. 7 in this docket, the Arkansas Public Service Commission ("Commission") adopted amendments to its Net Metering Rules ("NMRs") to allow meter aggregation for net metering customers. The Commission thereby adopted substantially the same amendments proposed by the General Staff ("Staff") of the Commission on September 10, 2012 for the consideration of all parties. Order No. 7 also directed jurisdictional electric utilities to file in this docket any tariff amendments necessary to comply with the amended rule on or before noon of September 20, 2013.

The existing NMRs include a Standard Interconnection Agreement for Net-Metering Facilities at Appendix A and a Standard Net-Metering Tariff at Appendix B. For administrative efficiency, and in order to facilitate compliance, Staff is directed to file proposed conforming revisions to the Standard Net-Metering Tariff and any necessary revisions to the Standard Net Metering Agreement on or before noon of September 17, 2013.
