ORDER

On October 29, 2013, the following parties (collectively referred to as the "Parties Working Collaboratively," or the "PWC") submitted a *Joint Motion for Extension of Time to Respond to November 1, 2013 Deadline* ("Motion"): the General Staff ("Staff") of the Arkansas Public Service Commission ("Commission"), the Arkansas Attorney General (the "AG"), Entergy Arkansas, Inc. The PWC note that Order No. 7 in this docket required the PWC to develop and submit, on or before noon of November 1, 2013, a Request for Proposal ("RFP") for the performance of an Arkansas energy efficiency ("EE") Potential Study and accompanying testimony; a recommended price for carbon regulatory cost avoidance; and a plan describing how the PWC would engage a facilitator(s) and other consultants to assist the PWC in developing a unified weatherization approach and weatherization program

coordination and how the PWC will address standardization of core Commercial and Industrial Programs across fuels and utilities. Motion at ¶ 1. The PWC state that, due to the time needed for several parties to participate in other matters pending before the Commission, the PWC requests an extension of time until November 8, 2013 in order to meet the directive from Order No. 7. *Id.* at ¶ 2. The Motion indicates that Wal-Mart Stores Arkansas, LLC and Sam's West, Inc. do not object to the Motion and that all other Parties and Intervenors have agreed to Staff's filing of the Motion. *Id.* at ¶¶ 3 and 4.

Based upon the reasonableness of the Motion and the lack of objection by any Party, an extension of time until noon of November 8, 2013 is granted.

I hereby certify that the following order issued by the Arkansas Public Service Commission has been served on all parties of record this date by electronic mail, using the email address of each party as indicated in the official docket file.
